To Who it May Concern:

Last night on the Rachel Maddow show, she was talking about the nightmare that DeJoy has created with the postal service. Why is he still in charge? Why doesn't the President fire him and hire some one with a brain and knowledge of what to do. DeJoy has already cost the taxpayers millions by throwing away the nearly new machines for sorting, etc. He has already causes such a mess during the holidays involving delivery , hours the workers deliver, loss of food, etc. This man has no idea how to run the postal dept. It is such an important part of our daily lives and he has all but destroyed it. How can something like this be ignored by the President.?

Something must be done immediately in order to salvage what is left of the Postal System. DeJoy should be sued for all the money he has lost the taxpayers, the new machines he got rid of that can no longer be used , the people that lost their jobs, and on and on.

Please encourage the President to get rid of this idiot before it is to late?

Sincerely, Cherie Maciel 3255 Waco Ave Simi Valley, Ca.
